

THE MAINE ELECTION.

A LIGHT VOTE POLLED.

Success of the Republican Ticket.

PORTLAND, Me., Monday, Sept. 11, 1865.
The State election took place to-day, and passed off very quietly.

Up to this hour (6 p. m.) very few returns have come in, but they indicate that the State vote will probably not exceed 75,000 against 112,000 last year, and that the Republican majority will be about 15,000 against 19,000 last year.

The official vote of Portland foots up for Governor—Cory, Republican, 1,711; Howard, Democrat, 768. Last year Portland gave Cory 2,769, and Howard 1,785. Republican majority this year, 943, against 883 last year, with a falling off in the aggregate vote of 2,876.

So little interest is felt in this election that many towns have failed to send their returns to the nearest telegraph office. We have, however, returns from 99 towns, which gave last year an aggregate vote of 47,211, while the aggregate vote of the State was 112,000, so that we have returns from about three-sevenths of the State.

The vote in 99 towns gives Cory 22,421; Howard, 11,735, against last year, Cory, 28,104, Howard, 19,207. The Republican majority this year in those towns is 10,686, against last year 8,997. Republican net gain, 1,689, relative gain about 4,000. The majority in the State last year, exclusive of the soldiers, was 16,247.

If the same relative gain continues throughout the State, the Republican majority will nearly reach 20,000. The aggregate vote of the State will reach nearly 80,000, of which Cory will have about 50,000 against 30,000 last year, and Howard about 30,000 against 46,257 last year.

These calculations are made exclusive of the soldiers' vote, which was last year, Cory, 3,054; Howard, 116, which swelled Cory's majority to 19,189. The Republicans have made a gain in Representatives, of which, however, they had all but about 30 last year, with the entire Senate.

FROM WASHINGTON.

Special Dispatch to The N. Y. Tribune.

WASHINGTON, Monday, Sept. 11, 1865.

LAND OFFICE STATISTICS.

The cash sales of Winnebago Indian lands made at St. Peter's, Minn., in the month of August last, amounted to \$309,227. A map of the city of Carson, Nevada, has just been received by Acting Commissioner Wilson of the General Land Office, showing all the municipal subdivisions, streets, &c., the map having been filed under the act of Congress, approved July 1, 1864, for the disposal of coal lands and iron property in the public domain, and the act supplemental thereto approved March 3 of the present year.

MANUFACTURE OF ALCOHOL.

Census returns of 1860 exhibit the manufacture of alcohol in the Middle States in that year as having an invested capital of \$656,000, producing annually products to the amount of \$2,683,000, paying for new material, \$2,412,294, for labor, \$80,024, and employing 119 male hands.

PERSONAL.

Lord Dughead of England and the Hon. John B. Haskins of New-York are among the arrivals at Washington to-night.

Assistant Secretary Chandler of the Treasury left last evening on a short forage for his home in New-Hampshire. The Hon. Freeman Clarke is still detained at his home on account of illness. Wm. Hempill Jones has been appointed First Controller of the Treasury Department, in the absence of the Controller, J. W. Taylor, esq.

THE FREEDMEN—GUERRILLA OUTRAGES.

Only 130 partial rations are issued to destitute freedmen of this city, and the number is rapidly decreasing, owing to the efforts of the Freedmen's Bureau to provide all colored citizens of this class with self-sustaining employment. Lieut. Clark of Gen. Howard's staff has just returned from Harper's Ferry, whither he was recently sent for the purpose of investigating freedmen's offices in that vicinity, and reports very encouragingly of their present and prospective condition. He represents, however, that the demoralized spirit of rebellion still exists among many of the returned guerrillas of Loudon County, who have recently exhibited their hostility by firing occasional shots at a small squad of the 19th New York, stationed at Sandy Hook, on the Maryland side of the river. None of our men have as yet been injured, although several narrow escapes have occurred. Guards have been stationed on the Virginia side of the river, which will probably prevent a recurrence of these outrages.

INTERNAL REVENUE DECISION.

The Commissioner of Internal Revenue to-day decided that a person who merely canvasses and takes subscriptions for maps, books, &c., is not a peddler within the meaning of the Internal Revenue laws. If, however, he receives pay for the books, maps, &c., at the time he takes the subscription, or if he delivers them and receives pay therefor upon a subscription previously taken by himself or by another, he is a peddler and should take a license as such.

INTERNAL REVENUE RECEIPTS.

The receipts from internal revenue to-day amounted to \$2,239,184.28.

TROOPS TO BE MUSTERED OUT.

The Secretary of War issued instructions to the commanding Generals of the Departments of North Carolina, Virginia, Florida, Texas, Louisiana and Arkansas, directing them to immediately muster out of service all organizations of colored troops which were enlisted in the Northern States, and are now serving in their respective commands, the muster-out to be by entire organizations, including all additions thereto by recruits and other sources. Another order directs the muster-out of 3,000 additional white troops in the Department of Arkansas. The two remaining independent companies of the Marine Corps Guards, Companies A and B of the New-Hampshire Heavy Artillery, and Co. D, 1st Massachusetts Heavy Artillery, now serving in the Department of the East, are also ordered to be discharged. Major Gen. Augur has also been ordered to reduce the volunteer force in his command to 4,000 commissioned officers and enlisted all arms.

MILITARY PERSONAL.

Major Webb, Paymaster in the United States Army, son of James Watson Webb, has been ordered to duty in California by the first steamer. Lieut. Col. N. C. Sawyer, Paymaster, United States Volunteers has also been ordered to California, and will sail October 2.

ANOTHER MILITARY COMMISSION.

A new Military Commission, of which Col. John Mansfield of the 12th Veteran Reserve is President and Capt. A. H. Wards of the 10th Veteran Reserve Corps is Judge-Advocate, convened at the old Capitol to-day, in pursuance of orders from the War Department, for the trial of all such prisoners as may be brought before it. The list will include a quite a number of citizen delinquents and, possibly, the accomplice, or wire in his inhuman treatment of our prisoners.

SECRETARY Seward.

Secretary Seward, together with his son Frederick and two daughters, paid a flying visit to Richmond Saturday night, returning this morning.

THE ALBANY.

The Navy Department has ordered four trials of the Albany, as follows: First: Her powers to be tested as stipulated in contract by pulling at the dock. Second: To run against the known time tested under a Congressional resolution. Third: A race with the Winoski upon Long Island Sound. Fourth: Any and every trial which may be recommended by the Board of Outside Engineers.

TRAVEL TO RICHMOND.

To the Associated Press.

WASHINGTON, Monday, Sept. 11, 1865.

TREASURER CAPTURED.

Capt. J. B. Jones of the 19th United States Infantry, arrived here to-day from Augusta, Georgia, by the way of New-York, bringing with him about 1,100 pounds of gold and silver bullion, with a small amount of coin, of the value of about \$200,000.

CORRECTION.

The telegraphic statement from New-York under date of 10th inst., that Mr. Cutler has been appointed Treasury Agent at New-Orleans, vice Plender, removed, is incorrect. Mr. Cutler was placed temporarily in charge of the State of Texas, and a portion of Mr. Plender's agency, but his operations are now confined to the southern part of the State, and Mr. Plender resumes charge of the entire territory, comprising the Third Special Treasury.

APPOINTED.

John Greiner of Ohio was to-day re-appointed Receiver of the Land Office at Santa Fe, New Mexico, vice Collins, removed, and he is again designated Depository, as previously appointed by Secretary Chase.

MISSISSIPPI.

WASHINGTON, Monday, Sept. 11, 1865.

The President and Gov. Sharkey—Correct Version of the Correspondence.

WASHINGTON, Monday, Sept. 11, 1865.

The following is a correct version of the correspondence between the President and Gov. Sharkey of Mississippi.

On the 19th ult. Gov. Sharkey issued a proclamation calling on the people of the State to organize under the militia laws of the State in each county, a force to detect and apprehend criminals and prevent crime.

The President saw this proclamation and it is supposed approved it, as he issued no order counteringmanding it. On the 29th of August, the President received a dispatch from the Hon. Carl Schurz, expressing fears of the propriety of Gov. Sharkey's course, and deprecating any action by the President adverse to the order issued by Major Gen. Slocum, the Department commander. The President, under date of Aug. 30, telegraphed to Mr. Schurz as follows:

"I presume Gen. Slocum will issue no order interfering with Gov. Sharkey's efforts to restore the functions of the State without first consulting the Government, and any danger to the performance of his duty as prescribed in the proclamation, and in no manner to interfere or throw impediments in the way of the execution of the object of his appointment, at least, without advising the Government of the intended interference."

By direction of the President a copy of this was ordered to be given to Gov. Sharkey. On September 2 the President received a dispatch from Gov. Sharkey stating that Gen. Slocum had issued an order preventing the execution of his proclamation of August 19, and acknowledging the receipt of a copy of the dispatch sent to Gen. Schurz on the 30th ult., which dispatch Gov. Sharkey earnestly requested permission to publish.

To this request the President replied by telegraph: "My dispatch was not intended for publication, but you can make such use of it as you deem best." The same day the following dispatch was sent to Gen. Slocum:

WAR DEPARTMENT, WASHINGTON, D. C., Sept. 2, 1865.

Major Gen. Slocum, &c., &c.: Upon the 10th of August, Gov. Sharkey issued a proclamation calling for the formation of military companies in each county, to detect criminals, prevent crime, and preserve good order in places where the military forces of the United States were insufficient to do so.

If you have issued any order counteringmanding this proclamation, or interfering with its execution, you will at once revoke it.

Acknowledge the receipt of this order, and telegraph your action.

By order of the President of the United States, T. T. ECKER, Act. Asst. Sec. of War.

In this connection it is appropriate to refer to the first paragraph of this order appended to the proclamation announcing the appointment of a Provisional Governor for Mississippi, which reads:

"And I do hereby direct that the military commander of the Department and all officers and persons in the military and naval service, assist the said provisional Governor in carrying out the provisions of the proclamation, and they are enjoined to abstain from in any way hindering, impeding, or discouraging the loyal people from the organization of a State Government as herein authorized."

Removal of Resignation of Gen. Slocum.
NEW ORLEANS, Monday, Sept. 11, 1865.
The Times' Jackson special says: "It is credibly rumored that Major Gen. Slocum has tendered his resignation in consequence of the President's endorsement of Sharkey's action." The News predicts that the colored troops will be sent out of the State for muster-out or transfer to another locality.

The Great Indian Council at Fort Smith—Negotiations Opened.
FORT SMITH, Ark., Friday, Sept. 8, 1865.
Judge Coolidge read an address to the Indians in council to-day, which was responded to by the Cherokee, to the effect that they had no power to treat, but would refer any proposition the Government would make to their National Council. Responses from other tribes of a similar character were made.

The Indians now here only represent a minority of those expected, but those who went with the south will be here in a day or two, when it is expected amicable arrangements will be made between themselves as well as with the Government. Definite plans will be proposed to-morrow, to which a decided answer will be demanded.
